Writing

- 15 I ~~a~~ fully agree with the author. I also think that if you are in courage
14 you forget about ~~#~~ fear and thinks you are scared of. I mean, if you
14 lovebride a house, you don't think about that you can fell down and
14 break your bones. I often do thinks ~~that~~ which are maybe not so right, but
14 I ~~don't~~ am not scared. I know that if I ~~already~~ have already done it I will be happy.
16 You can spend your whool life to do thinks you hate, you cando what your
15 parents say todo, you can live like other's want. But where are you then?
15 You have your live with your expiriences. Like in Romeo and Julia. The two gays
13 loved each other and wanted to marry. They don't thought about what will
12 happen then. They have preferred courage and not fear. Well, they ~~will~~
13 be lucky maybe, if all went like they would like. In my view if they
18 were ~~more~~ more clever they ~~had~~ would have a happy live with many children and
13 a dog or something else. ~~All~~ All this thinks depended on the personality, you know, if
anyone wants to resist fear, he can do it with courage, or not. If ~~so~~ anyone
don't want to do it, he want ~~to~~ mention it with all motivation on the
earth.
