Many countries want to host international sports event. But why do they want? It's very interesting question. Why are they making all of that Olympiades, Universiades, Championships, cups, etc? Let's think about it.

Every international sports event is very bright, colorful, great and as result expensive. Price of some Olympiades could be up to few hundred millions dollars. It's very powerful countries' economic. There must be some very serious reason to be host of this event. And countries have it. Reason is to show country from good side, how it's rich, powerful and friendly. But main of sports events is union of many countries to become little closer to each one's traditions, culture and life.

In conclusion I want to say that thanksful to sports events nation could meet each other and make great international friendship. I hope sometimes people will do it.
